

SOME THINGS YOU CAN'T AFFORD... ...TO BE WITHOUT!!!

... and this new School Balance from OHAUS is one of them!

Not just another compromise to take advantage of a wanting market but a balance "CLASSROOM ENGINEERED" to do a big job for you.

Made with rugged die cast aluminum beam, and epoxy painted heavy zinc base, this School Balance is sensitive to everything but rough use.

Color-coded pans (one yellow—one red) of stain resistant high impact Polystyrene plus the unique balance arrest for manual damping bring clarity and speed to your teaching ... and ... this balance can handle those specific gravity assignments also.

Designed and built by OHAUS... the big difference in this balance is **LOW COST!**
